

# Pipe Fittings – T-Branches

Logan T-Branch Spurs are carefully attached to the barrels and will correspond in every way to the dimensions specified for pipe of the same size.

A wide variety of Double Tees are also available. Please call our customer service department for availability and shipping information.

T-Branches not shown are available on special order or by adapting with an increaser. Please call our office for assistance.

| Barrel Diameter | Spur Diameter | Laying Length | Approximate Dimensions           |                                  | Approximate Shipping Weight (lbs.) | Pack Data |
|-----------------|---------------|---------------|----------------------------------|----------------------------------|------------------------------------|-----------|
|                 |               |               | A                                | B                                |                                    |           |
| 4"              | 4"            | 2'            | 5"                               | 4 <sup>1</sup> / <sub>4</sub> "  | 23                                 | 42        |
