

# Enhance the Natural Beauty of Your Home.

## Chimney Tops, Flue Liners & Wall Coping

Clay chimney tops have been a mark of quality homes for centuries. Logan Clay chimney tops are manufactured of the finest natural materials, including premium clays, and are handcrafted to our exacting standards of beauty and precision.

Top off your fireplace system with a style that compliments the design of your home from our wide range of styles and sizes.

Flue liners are another critical part of your fireplace system. Logan Clay flue liners are always precision cut to the correct lengths—surpassing all applicable ASTM specifications. They are dense and strong, and they never sag or lose their shape.

Clay wall coping adds a touch of elegance and distinction to any wall or building. Logan's complete line of wall coping offers a selection of styles to complement any style of architecture.

Don't settle for an imitation. Specify the best: **Clay chimney tops, flue liners and wall coping from Logan Clay.**

### Our Limited Warranty

Logan Clay Products LLC (Logan) warrants its products to be free from defects in material and workmanship as manufactured. If a product does not conform to this limited warranty, Logan will, at its option, replace the defective product (FOB the manufacturing site) or refund the amount of the purchase price the customer paid Logan for the defective product. The remedy of replacement or refund is the customer's sole remedy against Logan. **In no event shall Logan be liable for incidental or consequential damages, and in no case will Logan's liability exceed the sales price of the product. Logan makes no other express or implied warranties including, without limitation, merchantability, fitness for a particular purpose, or against infringement of any patent.**
